# Directions to Columbus Central Veterinary Hospital

CCVH is conveniently located just north of the village of Columbus, on the southbound side of Route 206. We are exactly 2.3 miles from exit 52 off Route 295 and approximately 3.2 miles south of exit 7 of the NJ Turnpike.

## From Mt. Laurel, Cherry Hill & Moorestown

Take Route 295 north to exit 52A. Take the first exit ramp and drive 2.3 miles on the Columbus Road to the village of Columbus. Turn left onto the ramp that leads to Route 206 southbound. Halfway down the ramp is the entrance into the hospital driveway.

## From Medford, Vincentown, Southampton & Browns Mills

Take Route 206 north to approximately one mile past the Columbus Farmers Market. As the road turns slightly to the left, stay on the right and take the exit leading into the village of Columbus. At the light in the center of the village, turn left and drive approximately a tenth of a mile. Turn right onto the ramp leading to Route 206 southbound. Halfway down the ramp is the entrance into the hospital driveway.

## From Princeton, West Trenton & Ewing

Take Route 295 to exit 52A. Take the second exit ramp (295 goes under an overpass) and drive 2.3 miles on the Columbus Road to the village of Columbus. Turn left onto the ramp that leads to Route 206 southbound. Halfway down the ramp is the entrance into the hospital driveway.

## From Trenton, Hightstown, Cranberry & Bordentown

Take Route 206 southbound. Drive approximately 3.5 miles from the intersection of Route 130 and Route 206 south. The driveway entrance is directly off Route 206 however, if you miss the entrance, immediately take the off ramp for the village of Columbus. Halfway up the ramp is a second driveway entrance into the hospital.
